ROBOTIC TRAINING FAQ'S

Where can I find the class schedule and prices for each class?

- The class schedule and prices are found on the website https://www.lincolnelectric.com/en/Education/Training-Programs/Corporate/Robotic-Automation-Training.
- The dates for each class are on the website by selecting the class, scrolling to the bottom of the page, then selecting the drop down box with dates for the next open class. If the date is not available, then the class is sold out.

Where is the training located?

Our training class is located at:
 The Lincoln Electric Company Automation
 22221 Saint Clair Avenue Cleveland Ohio 44117

Do I have to take the entry level exam to attend training?

- No, in order to attend any of the Robotic Programming Classes you don't have to take the entry level exam.
- When planning to attend our Robotic Service Class or any Powerwave® Service Class it is recommended that you take the entry level exam.

Do you have a list of recommended hotels?

• Yes, a list of approved hotels will be provided once your reservation has been processed.

Do you need any experience with robots before attending class?

No experience is necessary for attending our basic robotic training class.

I have used robots before, can I skip the basic and go into the Intermediate or Advanced class?

• To attend an intermediate class or advanced class, you must have completed a basic robotic training from Fanuc, Arc Tool Software or a similar provider. Proof of completion must be provided. If proof cannot be provided, a phone interview will be required.

What kind of PPE is required?

- Programming Classes: Safety Glasses are the only required PPE. If you wear prescription eye glasses, side shields will be required. If you do not have side shields, over-the-glasses safety glasses will be provided.
- Robotic Service Class: Steel Tie shoes/boots
- If you wish to bring a welding helmet, you may do so. Hand-held face shields will be provided.

What are the class hours?

- Class times are 7:30 a.m. 3:30 p.m. Monday Thursday. Classes on Friday end at 12:00 p.m.
- Please arrive at 7:15 a.m. on Monday morning.

Where can I purchase lunch?

• Lunch will be provided in the Lincoln Electric Cafeteria Monday - Thursday.

How many people are in each class?

• The class size is limited to 16 people.

How much time will I spend on the robot?

Class instruction is a 2:1 student to robot ratio.

Do I have to share a robot?

• Yes, class instruction is 2 people to 1 robot.

Do you offer discounts?

• No discounts are currently offered.

CUSTOMER ASSISTANCE POLICY The Lincoln Electric Company is manufacturing and selling high quality welding equipment, consumables, and cutting equipment. Our challenge is to meet the needs of our customers and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or advice about their use of our products. Our employees respond to inquiries to the best of their ability based on information provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment. Accordingly, Lincoln Electric does not warrant or guarantee or assume any liability with respect to such information or advice, undersome the provision of such information or advice, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose is specifically disclaimed.
