

Lincoln Electric is the world leader in the engineering, design, and manufacturing of advanced arc welding solutions, automated joining, assembly and cutting systems, plasma and oxy-fuel cutting equipment, and has a leading global position in brazing and soldering alloys. Lincoln is recognized as the Welding Expert™ for its leading materials science, software development, automation engineering, and application expertise, which advance customers' fabrication capabilities to help them build a better world. Headquartered in Cleveland, Ohio, Lincoln Electric is a \$3.8B publicly traded company (NASDAQ:LECO) with over 11,000 employees around the world, with operations in over 71 manufacturing locations in 20 countries.

You will join our team as **Accountant (m/f/d)** which is comprised of passionate people. We offer continuous learning and education opportunities and put emphasis on continued improvement, growth, and career progression. We offer a competitive total compensation package.

ABOUT THE ROLE

We are looking for a full-time **Accountant (m/f/d)** to support our finance team at our location in Merzig/Saarland - Fori Automation GmbH, a Lincoln Electric company - as soon as possible.

In this role you will support our team in the following tasks:

- General banking and accounting duties
- Ensure that all accounting transactions are prepared in a timely manner and reported in accordance with local, statutory and Lincoln Electric requirements
- Main legislative contact for company financial matters
- Manage all accounting transactions based on accounting principles
- Timely publication of financial statements
- Perform monthly and annual financial statements
- Carrying out account reconciliations for the companies
- Calculate direct and indirect taxes and assist in the preparation of monthly, quarterly and annual tax returns and related general ledger accounting
- Assisting in the preparation of annual financial statements and external and internal audits
- Prepare regular reports for the management
- Performing and auditing payment

WHAT WILL YOU BRING TO THE ROLE?

- Successfully completed commercial training or Master/Bachelor's degree with a focus on finance and accounting
- At least 3 years of professional experience in performing accounting and financial analysis for multinational companies
- Excellent computer skills and experience with SAP & Microsoft Office applications
- Fluent in English and German
- Solid knowledge of local German accounting principles, legal requirements and tax laws
- A strong working knowledge of US GAAP
- International tax experience and Transfer price knowledge is beneficial
