 Develop your career as
BUSINESS ANALYST DEVELOPER!
Choose Lincoln Electric!

Lincoln Electric is the world leader in the engineering, design, and manufacturing of advanced arc welding solutions, automated joining, assembly and cutting systems, plasma and oxy-fuel cutting equipment, and has a leading global position in brazing and soldering alloys. Lincoln is recognized as the Welding Expert™ for its leading material science, software development, automation engineering, and application expertise, which advance customers' fabrication capabilities to help them build a better world. Headquartered in Cleveland, Ohio, Lincoln has 56 manufacturing locations in 19 countries and a worldwide network of distributors and sales offices serving customers in over 160 countries.

YOU ARE

- Knowledge in business reporting tools: Tableau (nice to have), SAP BW (must have)
- Knowledge in developing reports using Alteryx (nice to have) with sources such as SAP BW or external excel files
- Minimum three years B2B experience in the development and implementation of reporting in various fields (Sales or Supply Chain or Finance)
- Exceptional numerical and analytical skills with strong modelling experience, and attention to detail
- Fluent in English
- Ability to work in cross functional teams

WE OFFER

- Develop, maintain and distribute reports & dashboards to key business leaders.
- Utilize business tools: Tableau, Alteryx, SAP BW reporting to ensure accuracy and timely reports to all relevant departments (Sales, Supply Chain, Finance)
- Ensure the quality and robustness of the data
