

Lincoln Electric is the world leader in the engineering, design, and manufacturing of advanced arc welding solutions, automated joining, assembly and cutting systems, plasma and oxy-fuel cutting equipment, and has a leading global position in brazing and soldering alloys. Lincoln is recognized as the Welding Expert™ for its leading materials science, software development, automation engineering, and application expertise, which advance customers' fabrication capabilities to help them build a better world. Headquartered in Cleveland, Ohio, Lincoln Electric is a \$3.8B publicly traded company (NASDAQ:LECO) with over 11,000 employees around the world, with operations in over 71 manufacturing locations in 20 countries.

You will join the Operations team at Weartech, Port Talbot, which is comprised of passionate people. We offer continuous learning and education opportunities and put emphasis on continued improvement, growth, and career progression. We offer a competitive total compensation package.

ABOUT THE ROLE

As the **Engineering Manager** you will deploy, drive and deliver the operational excellence programs across the business through a robust program of Continuous Improvement activities. Whilst leading the Maintenance team to achieve productivity, equipment utilisation and cost objectives, whilst having the overall accountability for the performance of the business area.

You will demonstrate:

- Proven experience in a management/supervisory capacity.
- Technical understanding of electrical, mechanic and hydraulic systems for planning and troubleshooting.
- Proficiency in operating modern maintenance technology.
- Good verbal communication skills, including active listening and the ability to translate complex information.
- Organizational skills for scheduling maintenance tasks and ensuring job completion, even during emergencies.
- Attention to detail, ensuring maintenance tasks are not overlooked and minor site problems do not become major site problems.
- Application of Operational Excellence within the workplace.
- Ability to work on multiple projects in various stages simultaneously

WHAT WILL YOU BRING TO THE ROLE?

- **Support Co-workers** – demonstrate Employee Engagement
- **Champion Customer Needs** – demonstrate a Strong Business Orientation
- **Value Others** – demonstrate the Golden Rule
- **Demonstrate High Quality Work** – demonstrate Operational Excellence
- **Take Initiative** – demonstrate Vision and Strategy
- **Display Creativity** – demonstrate Solutions and Value
