

Construction / Rental Welding Equipment

CrossLinc® Enabled Products

Increase productivity, quality and safety on the job site with CrossLinc technology, which enables voltage control at the feeder without the need for additional control cables. Learn more at lincolnelectric.com/crosslinc

MULTI-OPERATOR WELDERS

Flextec® 350X Construction

- Compact heavy duty rack
- Easily move around the jobsite
- Single power drop for 4 welders

Rack configurations for the Flextec 350X Standard, 350X PowerConnect, 500X and 650X models available.

CROSSLINC ENABLED ACCESSORIES

LN-25X™

- Digital Meters
- Maxtrac Wire Drive
- Accepts up to 12in spools

Activ8X™

- True Voltage Technology™ (TVT™)
- Lightest wire feeder on the market
- Accepts 8in spools

CrossLinc Remote

- Portable and durable
- Remote control for Stick and TIG processes
- Sturdy steel case with rubber bumpers

GASOLINE-DRIVEN

Invertec® V276 Rack

- Compact heavy duty rack
- Easily move around the jobsite
- Single power drop for 4 welders

Ranger® 250 GXT

- 23 HP Kohler® gasoline engine
- Rated 250A / 25V / 100% DC welding
- 10 kW continuous 1-PH AC generator

Ranger® 305 G

- 23 HP Kohler® gasoline engine
- Rated 305A / 29V / 100% DC welding
- 9.5 kW continuous 1-PH AC generator

Ranger® 260MPX™

- 23.5 HP Kohler® gasoline engine
- Rated 260A / 26V / 100% DC welding
- 9.5 kW continuous 1-PH AC generator

Ranger® 330MPX™

- 25 HP Kohler® gasoline engine
- Rated 330A / 28V / 100% DC welding
- 10 kW continuous 1-PH AC generator

DIESEL-DRIVEN

Vantage® 322

- 22 HP Kubota® Tier 4 Final diesel Engine
- Rated 400A / 23V / 100% DC welding
- 11 kW continuous 3-PH
- 10 kW continuous 1-PH AC generator

Maverick™ 325X

- 24.8 HP Kubota® Tier 4 Final diesel Engine
- Rated 325A / 33V / 100% DC welding
- 10 kW continuous 1-PH AC generator

LPG-DRIVEN

Ranger® 305 LPG

- 25 HP Kubota® Command LPG Engine
- Rated 305A / 25V / 100% DC welding
- 9 kW continuous 1-PH AC generator

LE400

- 22 HP Kubota® Tier 4 Final diesel Engine
- Rated 400A / 23V / 100% DC welding
- 11 kW continuous 3-PH
- 10 kW continuous 1-PH AC generator

LE500X

- 41.0 HP Perkins® Tier 4 Final diesel Engine
- Rated 500A / 33V / 100% DC welding
- 17 kW continuous 3-PH
- 11 kW continuous 1-PH AC generator

Vantage® 549X

- 49.5 HP Deutz® Tier 4 Final diesel Engine
- Rated 525A / 41V / 100% DC welding
- 19 kW continuous 3-PH
- 11 kW continuous 1-PH AC generator

Dual Maverick™ 200/200X

- 24.8 HP Kubota® Tier 4 Final diesel Engine
- Two welding outputs - one machine
- Single: 335A / 33.4V / 60% DC welding
- Dual: 200A / 28V / 60% DC welding
- 10 kW continuous 1-PH AC generator

Trailer packages available for LE, Maverick, and Vantage products
