VOLUME PROGRAM

Maximize Your Margins With Tomahawk Plasma Cutters

Lincoln Electric is pleased to offer bulk order discounts on Tomahawk® Plasma Machines & Consumables.

This program is designed to encourage you to stock Lincoln Electric plasma machines by providing pre-approved discounts when ordered in multiple quantities.

HOW IT WORKS:

1. Place an order for two or more Tomahawk Plasma Machines to receive a discounted bulk price on your order - up to 10% off!

Machine Quantity	Discount
2-4	5%
5+	10%

2. With every qualifying bulk machine order, receive a one-time discount on Tomahawk Plasma Consumables - up to 15% off!

Consumables Purchase Amount	Discount
\$1,000 - \$2,499	5%
\$2,500 - \$4,999	10%
\$5,000+	15%

Contact your Lincoln Electric Sales Representative for more information.

Orders placed using the discount are for One-time shipment only. Qualification for bulk order discounts will be determined on an order by order basis, and is at the sole discretion of Lincoln Electric. Orders cannot be aggregated for calculation of the discount. Discount not transferable. This program may be discontinued or changed at any time by Lincoln Electric.

CUSTOMER ASSISTANCE POLICY

The business of The Lincoln Electric Company[®] is manufacturing and selling high quality welding equipment, consumables, and cutting equipment. Our challenge is to meet the needs of our customers and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or advice about their use of our products. Our employees respond to inquiries to the best of their ability based on information provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment. Accordingly, Lincoln Electric does not warrant or guarantee or assume any liability with respect to such information or advice. Moreover, the provision of such information or advice does not create, expand, or alter any warranty on our products. Any express or implied warranty that might arise from the information or advice, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose is specifically disclaimed.

Lincoln Electric is a responsive manufacturer, but the selection and use of specific products sold by Lincoln Electric is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric affect the results obtained in applying these types of fabrication methods and service requirements.
