

# PIPE SUPPORT STANDS

## Mechanized Automation

1,500 lbs. (680 kg)  
AD2406-2

3,000 lbs. (1,360 kg)  
AD2406-1

Pipe stands support overhung pipes being rotated by a positioner or headstock. The large base offers a stable platform and eliminates the effects of overhung loads on the axis.

## PRODUCT SPECIFICATIONS

Product Name	Product Number	Load Capacity lb (kg)	Roller Diameter in (mm)	Vertical Adjustment of Rollers in (mm)	Wheel Positions	Workpiece Diameter in (mm)	Base in (mm)	Weight lb (kg)
Pipe Support Stand	AD2406-2	1500 (680)	2 x 5 (51 x 127) rubber rollers	9 (229) from a 18 3/16 (462) min height to 27 3/16 (691) max height	Adjustable - 3 positions	1 - 48 (25.4 - 1219.2)	18 (457) round	100 (45.4)
Pipe Support Stand	AD2406-1	3000 (1361)	2.5 x 12 (64 x 305) rubber rollers	5.5 (140) from a 15 3/4 (400) min height to 21 1/4 (540) max height	Fixed	6 5/8 - 72 (168.3-1828.8)	18 (457) square	150 (68)

### CUSTOMER ASSISTANCE POLICY

The business of The Lincoln Electric Company is manufacturing and selling high quality welding equipment, consumables, and cutting equipment. Our challenge is to meet the needs of our customers and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or advice about their use of our products. Our employees respond to inquiries to the best of their ability based on information provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment. Accordingly, Lincoln Electric does not warrant or guarantee or assume any liability with respect to such information or advice. Moreover, the provision of such information or advice does not create, expand, or alter any warranty on our products. Any express or implied warranty that might arise from the information or advice, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose is specifically disclaimed.

Lincoln Electric is a responsive manufacturer, but the selection and use of specific products sold by Lincoln Electric is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric affect the results obtained in applying these types of fabrication methods and service requirements.

Subject to Change – This information is accurate to the best of our knowledge at the time of printing. Please refer to [www.lincolnelectric.com](http://www.lincolnelectric.com) for any updated information.

### THE ONLY SINGLE-SOURCE AUTOMATION PROVIDER

Lincoln Electric has built a solutions portfolio to include all of the competencies to support your need to improve productivity, quality and safety. Lincoln Electric can modify or completely customize the creation of your weld cell to meet those precise needs.

With a global network of facilities and people, you'll get quick response and personalized attention. Contact one of the below facilities for more information on the types of solutions available to help you produce faster, more repeatable, higher quality results.
