Contact a Lincoln Electric sales representative for more details about this limited-time offer. Similar savings may also be offered by your local Lincoln Electric distributor, see your distributor for the latest pricing!

Offer valid until December 31st, 2025.

*Up to 30% savings calculated based on MSRP at time of sale. Discount offer valid only with new cobot orders. Lincoln will schedule the installation at a mutually convenient time at customer's location following final payment on the new cobot order. Discount applied to base price only. Purchase may be subject to taxes and fees which are not covered by this offer. Offer may not be combined with any other sale, promotion, discount, code, coupon and/or offer. Offer valid until December 31, 2025, while supplies last, and may be discontinued at any time. This offer is valid for the following products: AD2501-7, AD2501-12, AD2501-6, AD2501-13. This offer is only valid in Canada. Returns of any portion of the purchase will require equal forfeiture of offer or amount equal to offer. Void where prohibited. VAT may be applied to full value of the cobot. Eligibility for offer is subject to Lincoln Electric's sole discretion. Exclusions may apply. No cash value. Additional terms & conditions can be found at LincolnElectric.com.

CUSTOMER ASSISTANCE POLICY

The business of Lincoln Electric is manufacturing and selling high quality welding equipment, automated welding systems, consumables, and cutting equipment. Our challenge is to meet the needs of our customers, who are experts in their fields, and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or technical information about their use of our products. Our employees respond to inquiries to the best of their ability based on information and specifications provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment, or to provide engineering advice in relation to a specific situation or application. Accordingly, Lincoln Electric does not warrant or guarantee or assume any liability with respect to such information or communications. Moreover, the provision of such information or technical information does not create, expand, or alter any warranty on our products. Any express or implied warranty that might arise from the information or technical information, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose or any other equivalent or similar warranty is specifically disclaimed. Lincoln Electric is a responsive manufacturer, but the definition of specifications, and the selection and use of specific products sold by Lincoln Electric is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric affect the results obtained in applying these types of fabrication methods and service requirements.
