

# 195C Multi 3-in-1

## Lincoln Electric Powercraft<sup>®</sup> 195C 3-in-1 10amp Multi Process Welder (K69114-1)

The Lincoln Electric K69114-1 Powercraft<sup>®</sup> 195C is a compact and portable 3-in-1 multi-process welder, offering MIG, Stick, and Lift DC TIG capabilities with a 195A output on a standard 10A power supply. Featuring improved EZYSET synergic technology, pulse functionality, and a large full-colour LCD display, it's designed for ease of use and fast setup with quick cable connections and built-in VRD. Weighing just 14kg and certified to AS/NZ60974-1 standards, it's ideal for light fabrication, maintenance, and DIY work, and is backed by a 3-year Lincoln Electric warranty.
