

Service Information – FAST & EASY

GET THE PARTS YOU NEED!

Equipment up-time is critically important – Lincoln Electric has you covered with expert service and support. The updated Service Navigator makes it easier and faster to find service information and purchase genuine Lincoln parts using state-of-the-art textual and visual navigation. Quickly navigate to service documentation for a particular machine by utilizing the code number filter, and bookmark content for quick and easy reference. Spend less time looking for service information and more time welding.

TWO WAYS TO ACCESS THE SITE:

1. Go to parts.lincolnelectric.com
2. Existing customers log-in on www.lincolnelectric.com and navigate to **Service Center** in the side navigation bar.

Features of Service Navigator 2.0:

- >> Detailed dynamic parts diagrams
- >> Online ordering
- >> Bookmark commonly used documents
- >> Up-to-date information
- >> Improved browser compatibility
- >> Offline version available
- >> Tablet supported
- >> Multi-language support
