

The Value of ANNEX

Part Positioners

The Lincoln Electric Automation™ ANNEX™ part positioners are adaptable to a wide range of processes including welding, laser, material handling, grinding and cutting. ANNEX part positioners include the Ferris Wheel, Skyhook, Drop Center, Turntable, Dual Trunnion, Sky Gimbel, and Headstock / Tailstock.

Choose Your Own Robot

ANNEX positioners can be easily integrated with most major robot manufacturers including FANUC®, ABB®, Yaskawa®, KUKA®, and Kawasaki®.

Premium Components

Lincoln Electric Automation incorporates Nabtesco® gearboxes and other high quality components in the ANNEX line.

Product Flexibility

ANNEX part positioners come in various pre-engineered models as well as customizable models catered to your needs.

Fast Lead Time

Select ANNEX part positioners can be shipped in as little as 4 weeks thanks to our assemble-to-order process.

High-Precision Motion

The full line of ANNEX products ranges from single to five-axis positioners, offering ultimate part orientation flexibility for your manufacturing processes.

CUSTOMER ASSISTANCE POLICY

The business of Lincoln Electric is manufacturing and selling high quality welding equipment, automated welding systems, consumables, and cutting equipment. Our challenge is to meet the needs of our customers, who are experts in their fields, and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or technical information about their use of our products. Our employees respond to inquiries to the best of their ability based on information and specifications provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment, or to provide engineering advice in relation to a specific situation or application. Accordingly, Lincoln Electric does not warrant or guarantee or assume any liability with respect to such information or communications. Moreover, the provision of such information or technical information does not create, expand, or alter any warranty on our products. Any express or implied warranty that might arise from the information or technical information, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose or any other equivalent or similar warranty is specifically disclaimed.

Lincoln Electric is a responsive manufacturer, but the definition of specifications, and the selection and use of specific products sold by Lincoln Electric is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric affect the results obtained in applying these types of fabrication methods and service requirements.
