Quote and completed Mitsubishi HC Capital America, Inc. credit application required for financing approval. Multiple rental or financing options are available. All applications are subject to credit approval by Mitsubishi HC Capital America, Inc. Additional terms and conditions may apply. The financing program is offered through a third-party lender(s) and not by The Lincoln Electric Company or any of its affiliates or subsidiaries. Such third-party lender(s) is not an agent for and has no authority to bind The Lincoln Electric Company, its affiliates, or its subsidiaries. The Lincoln Electric company disclaims any liability for claims arising out of or in connection with any financing offered or provided by such third-party lender(s). The Lincoln Electric Company makes no guarantees or representations as to the availability or nature of any financing.

Purchase orders must be received by December 31, 2023. Promotion includes Lincoln Electric's Zeman SBA, SBW, SPS systems and PythonX Structural systems. Free Cooper welding cobot promotion only applies to the following Cooper welding cobot model: AD2489-10. May not be applied to previous orders. Exclusions may apply. No cash value. Check with your Lincoln Electric representative for offer availability and additional terms. Cobot ships following final payment. Does not include accessories training or installation. Purchase may be subject to taxes and fees which are not covered by this offer. Offer may not be combined with any other sale, promotion, discount, code, coupon and/or offer. Offer valid for a limited time only, while supplies last, and may be discontinued at any time. Returns of any portion of the purchase will require equal forfeiture of offer or amount equal to offer. Void where prohibited. VAT may be applied to full value of the cobot. Eligibility for offer is subject to Lincoln Electric's sole discretion. Additional terms & conditions can be found at LincolnElectric.com.

CUSTOMER ASSISTANCE POLICY

The business of Lincoln Electric is manufacturing and selling high quality welding equipment, automated welding systems, consumables, and cutting equipment. Our challenge is to meet the needs of our customers, who are experts in their fields, and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or technical information about their use of our products. Our employees respond to inquiries to the best of their ability based on information and specifications provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment, or to provide engineering advice in relation to a specific situation or application. Accordingly, Lincoln Electric does not warrant or guarantee or assume any liability with respect to such information or communications. Moreover, the provision of such information or technical information does not create, expand, or alter any warranty on our products. Any express or implied warranty that might arise from the information or technical information, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose or any other equivalent or similar warranty is specifically disclaimed.

Lincoln Electric is a responsive manufacturer, but the definition of specifications, and the selection and use of specific products sold by Lincoln Electric is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric affect the results obtained in applying these types of fabrication methods and service requirements.
