

LEEPS™ Virtual

LEEPS™ Virtual

Welcome to a new era of welding education. The Lincoln Electric Virtual Certification program offers unmatched flexibility, providing introductory welding certifications without the need for traditional brick-and-mortar facilities. LEEPS Virtual is perfect for instructors and students at high schools, vocational schools, correctional facilities, and other career-focused training centers. Our program equips you with comprehensive instructional resources, serving as the ideal starting point for exploring a deeper, more rewarding career in welding.
