

# LINCOLN ELECTRIC EDUCATION PARTNER SCHOOLS (LEEPS) INDUSTRY PROGRAM REQUIREMENTS CHECKLIST

**Complete the following requirements to qualify for the Industry LEEPS program:**

NC3 Membership

Instructor Certification Training and Specified Equipment for each NC3 / Lincoln certification implemented

On behalf of \_\_\_\_\_ (organization's name), I look forward to providing my leadership support to meet the above requirements and the organization becoming a committed participant in the Lincoln Electric Educational Partner School (LEEPS) national program, in which my welding technology training program will partner closely with Lincoln Electric and NC3 to become a welding Center of Excellence and offer the NC3 / Lincoln Welding Certifications to best prepare skilled workers for a career in the modern welding industry.
