## THE AUTOMATIC SWITCHOVER SYSTEM WITH SMART TECH

For analytical laboratories, data is at the heart of everything you do.

That is why the DataSMART™ is so perfectly suited for your high-purity, specialty gas systems. More than just an automatic switchover manifold, DataSMART™ collects and reports usage data for easy analysis. Choose the smart solution for managing your gas supply and lab operations.

## **PERFECT FOR**

- + Gas Chromatography
- + Mass Spectrometry
- + CO<sub>2</sub> Incubators
- + High-Purity Specialty Gas

## EASY-TO-USE TOUCH SCREEN SETUP
