

# PLANT VISIT AND TOUR OF HARRIS PRODUCTS GROUP

The Harris Products Group cordially invites to visit our facility in Mason, OH on

Harris has been manufacturing quality braze filler metals in the United States for over 50 years. We are leaders in developing brazing and soldering products to meet the industry needs for new metal joining methods. We are certified to ISO 9001 and ISO 14000 standards. We have developed proprietary manufacturing technology to ensure the highest standards of quality and traceability.
