DIGISTEEL COMPACT RANGE

250C • 320C

250C • 320C • 380C • 450C PRO

The **DIGISTEEL COMPACTS RANGE** is built on the latest Saf-Fro inverter platform, ensuring optimal **MIG/MAG** and **MMA** welding performance with excellent power and cost efficiency.

The range consists of: 250A, 320A, 380A and 450A power sources with a choice of either the **C** panel (250C & 320C) or the **C PRO** panel (250C PRO, 320C PRO, 380C PRO & 450C PRO), that meet most customers' needs and covers a wide range of welding applications.

The Plug & Play water cooler **COOLARC® 26** is available for **DIGISTEEL 380C PRO & 450C PRO**.

- Complete solution for Industrial users
- New heavy duty design
- Innovative User Interface with ArcFX™ technology
- Low energy consumption compliant with upcoming ECO design regulations
