

The New MyLincoln is Coming Soon to the UK!

Dear Lincoln Electric Customers & Partners,

Your friends at Lincoln Electric don't want you to miss the upcoming launch of the new MyLincoln portal.

The new MyLincoln is a convenient, easy-to-use tool that gives you access to valuable resources and enables you to manage business transactions directly with Lincoln Electric. Whether you're looking to order products, check pricing and inventory or searching for supplemental resources, MyLincoln offers a wide range of user benefits, including:

- **Around-the-clock access** via your desktop, tablet or mobile device.
- **Enhanced inventory visibility** that includes real-time inventory levels at your Lincoln Electric Distribution Centre and estimated availability dates for out-of-stock and made-to-order products.
- **Hassle-free ordering** and reordering of frequently used products.
- **Easy access** to a wealth of product information.
- **Information resources** including product descriptions, photographs, specifications, certificates of conformance and more.
- **News updates** and information about new products, webinars, events and resources from Lincoln Electric.

As a reminder, Chrome is the preferred web browser for using MyLincoln.

Stay tuned for important information coming direct to you from the MyLincoln team!
