

# HARRIS HARDHAT

CONTAINS ALL THE QUALITY EQUIPMENT NEEDED FOR CUTTING, WELDING AND BRAZING.

## EQUIPMENT FEATURES

- All outfit components are industrial grade for professional use.
- Cutting attachments feature solid forged heads that resist damage from abuse and flashbacks. Solid brass cutting lever flips forward for fast convenient and positive connecting to handle even when wearing gloves. Connector lock ring secures torch nut in place to protect connector from damage.
- Torch handles feature silver-brazed, twin-tube construction for safety and durability and easily replaceable Flashguard® checkvalves.
- Regulators are equipped with an encapsulated teflon seat for safety and extended service life, are made in the USA and have a 7-year warranty.
- Two-piece cutting tip is easy to clean and produces higher preheats and is manufactured with a copper shell to withstand higher heat with no damage to the tip.
- Welding mixers accepts tip sizes 0-10 and is designed with lock ring to protect mixer seat from damage.
- Welding goggles are designed to accommodate prescription eye wear and accepts standard 2 x 4 ¼ replacement lenses.
- Instruction manual included with all outfits.
