

# System 30 DUAL ZONE/FIXED TABLE SYSTEM

This cell is perfect for medium sized parts that do not require positioning. Since it's delivered completely assembled, the System 30 also takes minimal installation.

## **BENEFITS**

- **1. Easy to Install:** Steel skid structure with fork pockets for easy placement.
- 2. Ease of Use: Push button operator controls.
- **3. Enhanced Operator Safety:** Integrated safety rated devices enhance operator protection in the work environment.

# System 30 **DUAL ZONE/FIXED TABLE SYSTEM**

Standard Specifications	
Robot Arm	The FANUC® ARC Mate® 100iC, Teach Pendant and FANUC ArcTool® Welding Software
Power Source & Feeder	Power Wave® power source and AutoDrive® wire drive
Enclosure	Completely painted steel enclosure, flash and safety barrier
Weld Cell Controls	Intuitive push-button operator controls
Safety	Fully integrated safety rated devices that are compliant with the latest ANSI and RIA standards.
Work Zone Dimensions	Two 914 x 1067 mm (36 x 42 in) fixed table work zones
Floor Footprint	2184 x 4140 mm (86 x 163 in)
Weight Capacity	500 kg (1000 lbs) per side
Training	3 day expert robotic instruction from AWS certified robotic arc welding instructors.
Documentation	Complete system kit: operator's manuals, maintenance guides, spare parts lists, calibration numbers and serial numbers, prints, supplier references and specifications and electronic manuals and tools.

### **Featured Options**

- Power REAM<sup>®</sup> Robotic torch maintenance center, wire cutting, reaming, and antispatter spray station.
- Choose air-cooled or water-cooled rotary torch package with Cool Arc<sup>®</sup> water cooler.
- Fume extraction system: Fume fan and hood or deluxe package including fume fan and hood, lighting kit, fan and filter system.
- Interior task lighting.
- On-site weld part programming.
- Service and preventive maintenance programs.

- Weld process development.
- Robotic Power Wave family.
- Software Options from FANUC Robotics:
  - Torch Guard and Collision Guard -Detects collision and stops the robot and adjustment of Tool Center Point.
  - Password Protection Restricts user access beyond specific areas on the teach pendant.
  - Thru-Arc Seam Tracking (TAST) -Automatically adjusts the robot's vertical and lateral trajectory to compensate for part warping or misplacement.
  - Touch Sensing Automatic path change to compensate for object displacement.

Lincoln Electric's alliance with FANUC Robotics translates into an unparalleled combination of welding and robotics expertise, along with single-source

efficiency. Whether you're considering your first automated cell, or you're ready to upgrade or enhance your existing robotic systems, there's no better partner than Lincoln Electric and FANUC Robotics.

## THE ONLY SINGLE-SOURCE **AUTOMATION PROVIDER**

Lincoln Electric has built a solutions portfolio to include all of the competencies to support your need to improve productivity, guality and safety. Lincoln Electric can modify or completely customize the creation of your weld cell to meet those precise needs.

With a global network of facilities and people, you'll get quick response and personalized attention. Contact one of the below facilities for more information on the types of solutions available to help you produce faster, more repeatable, higher quality results.

### CUSTOMER ASSISTANCE POLICY

The business of The Lincoln Electric Company is manufacturing and selling high quality welding equipment, consumables, and cutting equipment. Our challenge is to meet the needs of our customers and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or advice about their use of our products. Our employees respond to inquiries to the best of their ability based on information provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment. Accordingly, Lincoln Electric does not warrant or guarantee or assume any liability with respect to such information or advice. Moreover, the provision of such information or advice does not create, expand, or alter any warranty on our products. Any express or implied warranty that might arise from the information or advice, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose is specifically disclaimed.

Lincoln Electric is a responsive manufacturer, but the selection and use of specific products sold by Lincoln Electric is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric affect the results obtained in applying these types of fabrication methods and service requirements.

Subject to Change – This information is accurate to the best of our knowledge at the time of printing. Please refer to www.lincolnelectric.com for any updated information.
