LINCOLN ELECTRIC EDUCATION PARTNER SCHOOLS (LEEPS)

PROGRAM REQUIREMENTS CHECKLIST

To qualify for the LEEPS program you must complete the following requirements:

- ☐ NC3 Membership
- ☐ Register and utilize the free resources on the MyLincoln™ Education Portal
- ☐ Equip school with a **minimum of 80%** Lincoln Electric **welding and cutting equipment**
  ** Up to 3 years allowance to fully achieve*
- ☐ Incorporate a **minimum of ONE Lincoln ElectricTraining System** in the school program:
  - Instruct Arc™ Extended Reality (XR) Welding Trainer Cobot System
  - Lincoln Electric Industrial Robotic System
  - Lincoln Electric Industrial
- ☐ Instructor Certification Training and Specified Lab Equipment for each NC3 / Lincoln certification implemented

On behalf of _____ (school name), I look forward to providing my leadership support to meet the above requirements and the campus becoming a committed participant in the Lincoln Electric Educational Partner School Start (LEEPStart™) national program in which my welding technology program will partner closely with Lincoln Electric and NC3 to offer Foundational Level NC3 / Lincoln Electric Welding training and certifications to best prepare students for a career in the modern welding industry.

USE OF NAME AND LOGO: Each LEEPStart™ Member hereby grants both NC3 and the Lincoln Electric Company a limited, nonexclusive right to use and display the LEEPStart™ Member's trademark logos, company name, and copyright symbols in its marketing, sales, financial, and public relations materials and other communications (collectively, "Materials") solely to identify the LEEPStart™ Member as a participant in the LEEPS™ program. NC3 and Lincoln Electric Company each agrees not to use the LEEPStart™ Member's trademark logos, company name, or copyright symbols in any way to indicate that it has any ownership or control of the LEEPS™ Member, or its brands and products. In the event that the LEEPStart™ Member withdrawals from, or otherwise no longer participates in, the LEEPStart™ program, NC3 and Lincoln Electric Company each agrees to undertake reasonable efforts to remove the LEEPStart™ Member's trademark logos, company name, and copyright symbols from future use. For the avoidance of doubt, neither NC3 nor Lincoln Electric Company will be prohibited from using, in any form or format or at any time whatsoever, a LEEPStart™ Member's trademark logos, company name, and copyright symbols in any Materials already in use, or otherwise created, in the calendar year in which the LEEPStart™ Member was a member of the LEEPStart™ program.
